Advantages for employers...

It's one thing to build flexible, simple plans that provide incredible value. It's another to find an experienced partner to guide you every step of the way. With Cigna, you'll have the assurance of:

Working with a deeply experienced, dedicated Client Manager

Knowing your plans are compliant

Offering telehealth & Cigna Wellbeing® App that improve employee health

Optional add-ons of adult wellness, dental, vision & infertility

...and employees.

How do you help employees to stay healthy? By making it easy for them to access care and wellness programs. All plans include:

- ✓ Access to over **3,000** healthcare providers in the UAE and over **5,000** in the Middle East
- ✓ 24/7/365 access to multilingual customer service experts
- ✓ Direct settlement options. Employees just need to show their Cigna digital ID card to receive care
- ✓ Quick turnaround times for pre-approvals and reimbursements

FREQUENTLY ASKED QUESTIONS.

What is Globalcare Flexible for small and medium enterprises?

We've used our 17-year strong heritage in the Middle East to design a health insurance plan for SMEs that is simple and cost efficient.

What are the advantages of these new plans?

They make buying health insurance easy by empowering you with more options, including:

- 3 network options
- 3 outpatient co-pay options
- Cost-efficient maternity cover
- Optional infertility cover*
- International employee assistance program

What is the international employee assistance program?

Our International Employee Assistance Program (IEAP) provides full-service care and assistance to your employees around the globe. Through our provider networks and partnership we are able to offer effective short-term counselling solutions, management training and work/life services.

Is the network list of hospitals and clinics different from our corporate plans?

Cigna has employed its strong Middle East and Global network to provide SMEs with seamless access to care.

What if I have urgent questions?

Cigna provides you with 24/7/365 access to our customer care hotline. We're always just a phone call away.

What servicing support do these plans come with?

All plans come equipped with Cigna Envoy, our global servicing platform that allows employees to:

- Find a doctor
- Get reimbursed on your claims by taking a picture via the app
- Contact us

How does Cigna support my employee's health?

Your employees will have access to the Cigna Wellbeing® App with our Global Telehealth feature that gives you free doctor consultations via audio/video conferencing.

Will these plans meet the mandatory health insurance policy as mandated by the UAE government?

All of our plans fully meet the mandatory compliance requirements of the countries we operate in, including the UAE, Kuwait, Oman, and Bahrain.

*Only applicable for Plan 1 & 2
