

CIGNA HEALTHGUARDSM **UAE NETWORK TIER COMPARISON**

For individuals residing in the Emirate of Dubai and the Northern Emirates

Together, all the way.SM

At Cigna, our goal is to provide all our customers with easy access to quality care. That's why we have partnered with Neuron to give you the best possible access to healthcare providers in the UAE. With over a decade of healthcare experience, Neuron is one of the leading third party administrators (TPA) in the Middle East region with an extensive network of 3,400 facilities including 90 Hospitals, 1,710 Clinics, and 1,400 Pharmacies in the UAE. As a Cigna HealthguardSM customer, you will also be able to take advantage of Cigna's global medical network comprising of over 1 million partnerships.

To help you choose the network tier that best suits your healthcare needs, we have highlighted some of the medical facilities that you will have access to based on the network tier selected.

Our Network Tier Choices	
General	Excludes high cost hospitals
General Plus	Excludes some of the high cost hospitals
